

## **Announcement of Upcoming Community Involvement Plan**

### **We want to hear from you!**

As part of the commitment to fostering open communication and collaboration with the local community and environmental protection, we are pleased to inform you about the upcoming development of a Community Involvement Plan at Bangor Air National Guard Base (ANGB).

### **What is a Community Involvement Plan?**

A Community Involvement Plan is a strategic framework that outlines the base's efforts to engage with and facilitate communication between the base and the local community in matters related to the Environmental Restoration Program at Bangor ANGB. It serves as a blueprint for fostering positive relationships, improving communications, and ensuring transparency.

### **Your Feedback Matters!**

To ensure that the Community Involvement Plan reflects the needs and priorities of your community, we invite you to share your valuable insights through a brief survey. Your feedback will play a crucial role in shaping the initiatives outlined in the plan. You don't need to have any prior knowledge of the activities at Bangor ANGB or the Environmental Restoration Program to complete the survey.

### **How Can You Participate?**

The survey is available online by using the above QR code or clicking: [Bangor Air National Guard Base Survey \(surveymonkey.com\)](https://www.surveymonkey.com/s/bangor-air-national-guard-base-survey). Your responses will remain anonymous, and the information gathered will be used solely for the purpose of developing an inclusive and effective Community Involvement Plan. You do not need to provide an email or any personal information.
